BOTOX® now approved for excessive Sweating!

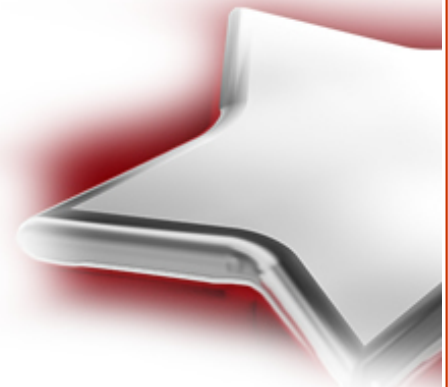

Now that the FDA has approved BOTOX® for excessive sweating, most insurance plans will cover the treatment. Dr. Eviatar is an expert in BOTOX® administration. Ask our cosmetic consultants for more information...

CHELSEA EYE & COSMETIC SURGERY ASSOCIATES is pleased to introduce our new aesthetician, **ALICIA HILFERTY**. Alicia specializes in chemical peels, photofacial treatments (IPL) and laser hair removal. Call our office to schedule a complimentary consultation before the end of the year.

DR EVIATAR WAS FEATURED ON THE TODAY SHOW: Dr. Eviatar's patient was interviewed about the most advanced surgery now performed by Dr. Eviatar called fat transfer. This procedure softens under eye bags and the lines around the eyes. **Please see more of Dr. Eviatar in the media.**

OUR FDA STUDY ON RADIESSE: The FDA study on **RADIESSE to treat facial lipoatrophy in HIV patients** is now into its second year, and the excellent results have been presented by Dr. Eviatar at conferences including the American Academy of Ophthalmology, the American Academy of HIV Medicine and the American Society of Plastic and Reconstructive Surgery. Dr. Eviatar has also been selected by Dermik to train other medical professionals in the use of **SCULPTRA**.

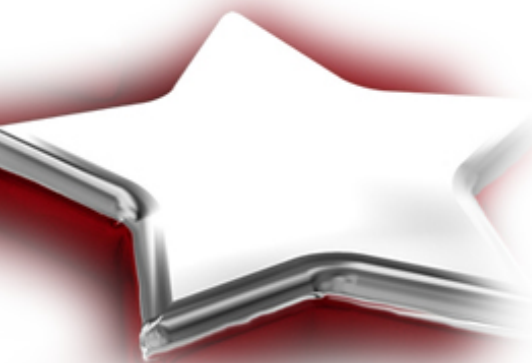

NEW TECHNOLOGY CONTINUES TO MAKE LASIK EVEN MORE PRECISE: Customized all laser LASIK procedures using the VISX CustomVue system were just approved by the FDA for prescriptions up to -11.00. These custom treatments provide for better quality of vision and improved night vision over traditional LASIK. Drs. Coad and Eviatar are pioneers in all laser (Intralase) custom laser treatments and can let you know if the procedure is right for you.

AETNA/US HEALTHCARE may now provide some reimbursement for LASIK. Contact AETNA or our LASIK coordinator for information.

FLEXIBLE SPENDING ACCOUNTS allow you to save money on procedures such as **LASIK and Botox**. Speak with your company's benefits' manager today to find out if this opportunity is available to you.

INTRAOCULAR LENS IMPLANTS:

If you have cataracts and certain vision problems, you may be a candidate for the newest intraocular lens implant (Alcon ACRYSOF® ReSTOR®) which will not only provide you with clear distance vision, but also allows for near (reading) and intermediate (computer work) vision. Dr Coad is proud to provide the most advanced cataract and lens exchange procedures. To determine if these new breakthrough surgical lens implants are right for you, **make an appointment with Dr. Coad.**

THE SURGERY FACILITY AT CHELSEA EYE & COSMETIC SURGERY ASSOCIATES has been re-accredited for 3 years by the Accreditation Association for Ambulatory Health Care in recognition of our continuing compliance with the high standards set by this national organization for quality patient care.

THE GALLERY @ CHELSEA EYE will be presenting a group show featuring mixed media works from January 16 through March 31, 2006. Come view the exhibit, meet the artists and learn about the many procedures offered at Chelsea Eye & Cosmetic Surgery Associates from 6 to 8:30PM on Friday evening, January 20th . Refreshments will be served. **Please click here to RSVP.**
